### Experience

Teacher   Kingsley Montessori	Boston, MA 2019-Present
-------------------------------	----------------------------

- Designed and implemented a hybrid Montessori curriculum integrating Wilson Foundations and Orton-Gillingham methods to support early literacy.
- Guided children aged 4–6 in a multisensory environment promoting independence, concentration, and enthusiasm for learning.
- Delivered structured literacy lessons focused on phonological awareness and phonics.
- Differentiated instruction to accommodate developmental and individual student needs, consistent with Montessori philosophy.
- Conducted formative assessments to guide instruction and monitor reading and writing progress.
- Collaborated with educators and families to foster inclusive classroom culture, social-emotional growth, and consistent home-school learning connections.
- Developed individualized learning plans integrating Montessori and structured literacy methods.

Teacher   Sandhills School	Columbia, SC 2016-2019
----------------------------	---------------------------

- Specialized in teaching students with dyslexia and related learning differences in grades 1 and 2, using Orton-Gillingham structured, multisensory techniques.
- Completed Orton-Gillingham Classroom Educator coursework.
- Designed individualized lesson plans based on assessments, addressing specific literacy and learning needs.
- Utilized multisensory strategies to enhance confidence and academic growth for students with language-based learning differences.
- Collaborated with educators and specialists to maintain cohesive, supportive learning environments.
- Regularly communicated with families to update on student progress and share supportive resources.

- Taught kindergarten in an international American curriculum setting, supporting foundational academic and social-emotional skills.
- Delivered culturally responsive, developmentally appropriate lessons aligned with U.S. standards.
- Fostered early literacy and numeracy through play-based, hands-on experiences tailored to diverse student needs.
- Taught daily Wilson Foundations curriculum to support foundational literacy development.
- Created a nurturing, inclusive environment supporting cultural transitions and promoting independence, curiosity, and confidence.
- Maintained active communication with families regarding student progress and classroom activities.

Graphic Designer | Spruce Environmental Technologies, Inc.

Haverhill, MA

1999-2008

- Created comprehensive brand identities, including logos, product catalogs, technical documents, and marketing materials.
- Designed visually impactful trade show displays and graphics enhancing brand visibility.
- Produced user-friendly technical documentation emphasizing clarity and visual hierarchy.
- Coordinated print production to ensure high-quality, timely marketing materials.

Freelance Graphic Designer

2001-Present

- Provided custom graphic design services specializing in logos, brochures, catalogs, and technical documents.
- Translated client brand objectives into compelling visual identities and marketing assets.
- Managed all design project stages from concept development to final production, emphasizing clear communication and punctual delivery.
- Developed long-term client relationships through collaborative, reliable design solutions.
